

*The ultimate wedding experience*

WHITE **7** LINCOLN

# A day of celebration

A wedding day should be a perfect day for the bride and groom, their families and friends.

I take great pride in providing a high-quality chauffeured wedding service, with an eye for style, luxury and comfort.

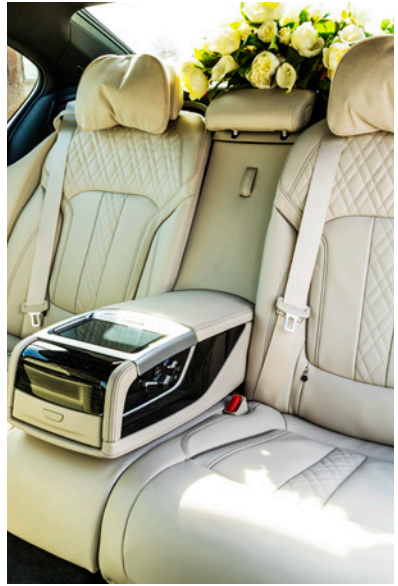

The long wheelbase BMW 7 Series, in gleaming white, provides extra legroom for wedding dresses and an onboard fridge for some celebratory fizz.

My wedding service doesn't have to end there. As I am a fully licenced chauffeur, I can take you to the airport or cruise liner terminal to begin your honeymoon, stress free, travelling in complete comfort.

A further wedding day option to consider is the White 7 "Capture" service which enables the Bride and Groom to have the BMW for photography only. This is great to use where the wedding service and reception are at the same venue and transport is not required.

This is your big day - let White 7 Lincoln make it your perfect day

*“Brilliant service from Stephen for our wedding, he thought of everything, was great with planning and keeping in touch, and such a beautiful car, thank you for helping to make our day.”*
